- \*On occasion people sometime enjoy going to a Broadway Show, off Broadway Show or Sporting event. It is best if you plan the event for a Sunday Afternoon Matinee. Note we don't stay in town late enough for an evening show. Going on a Sunday afternoon we can drop you in the theater district for the matinee. After the show most people will up with us at dinner, All of restaurants are located in the theater district. You can go for a Saturday Matinee, but you will have to take a taxi, uber or subway to the theater district from the 911 Museum. If you ever have time while your in New York, a subway or NYC Taxi are fun and memorable experiences For Broadway shows, I recommend [www.Broadway.com](http://www.Broadway.com)
